HORSE

MAGAZINE

2015 STALLION DIRECTORY

WELTMEYER

Weltmeyer has always been a controversial stallion. In Hanover, he was hailed as the ultimate modern dressage stallion – while in neighboring Oldenburg, they celebrated Donnerhall, and claimed that the Weltmeyers would never collect! The truth was perhaps somewhere in between.

Certainly, Weltmeyer put a wonderful hind end on his progeny and helped complete the transformation from carriage to riding horse.

There is no doubt that some Weltmeyers did collect, and numerous sons and daughters of Weltmeyer have competed at the highest level, with success.

As a sire of stallion sons, he has perhaps been something of a disappointment. Many many sons were licensed but none have equaled their sire as a breeding stallion. Weltmeyer is proving to be an excellent sire of broodmares, and many today's dressage horses, feature him on the dam line.

In the 2015 Hanoverian stallion book, Weltmeyer is recorded with 1652 competitors with winnings of €2,638,035, with 201 competing at S level dressage. He has 21 dressage horses with winnings of over €10,000, the most successful of these has been Warum nicht with €738,362, with Weltall in 2nd with €204,851. Weltmeyer is the sire of 86 licensed sons.

ABOUT THE ARTIST

The artist who produced the superb portrait of Weltmeyer on our cover is Christina Bötzel. Christina has had exhibitions of her work in Germany, USA, France, Austria, Great Britain and the Czech Republic.

We thank Christina for the opportunity to bring her work to an Australian audience. To see and purchase artworks, including her great calendars, visit: <http://www.atelier-boetzel-eberl.de/shop/>

Over 200 sires from Europe to breed from...

Top show jumping youngster with international flair and in a class of his own for style and disposition. Action Blue presents himself with balance and conviction at the jump, showing plenty of scope and great leg technique and bascule. A pedigree full of performance genes: the sire Action Breaker is at present ranked as one of the best show jumping stallions worldwide.

He was ridden successfully by Sergio Alvarez Moya (ESP) at the World Equestrian Games in Kentucky in 2010. His dam-sire Chacco Blue was placed amongst the best at the Bundeschampionship finals and went on to win international Grand Prix, for example in Neumünster 2012. In the Grand Prix of Aachen he finished in third place.

Action Blue: modernity and quality straight to the point!

Animate is by one of the greatest sons of Almé - Animo - and out of a mare by the Holsteiner foundation sire, Lord.

Animo was an international star, jumping in 48 World Cup qualifiers and Grand Prix. He has been a top 10 sire on the WBFSH jumping stallion rankings, producing international stars like Gina Lollobrigida with Franke Sloothaak, Bodyguard with Phillip le Jeune, Aniapollo with Norman dello Joio, Mystery Lady with Katina Lampe, Allegiance with Laura Kraut, Colorado with Harrie Smolders, Billy Orange with Roelof Bril and Robin Hood V, ridden in the British team by Ben Maher. He is also the sire of many licensed (and successful) stallions.

Animate is out of the international jumping mare, Lucilla by Lord.

Animate was himself a successful World Cup competitor in Australia and on the European circuit and he already has progeny competing at World Cup level that have inherited his impressive jump and temperament.

Animate: breeding, conformation, jumping technique – and proven progeny!

www.waterviewpark.com.au

Ampère's pedigree is rich in the blood that has made the Dutch Warmblood number one in the world for dressage. His sire Rousseau is a son of Grand Prix star, Ferro, out of a mare by another Grand Prix competitor, and sire of international dressage horses, Roemer. His dam is by the Dressage maker, Flemmingh, and out of a mare by the great Amor.

From the start, Ampère was a star: champion of the KWPN licensing, champion of his Performance Test with 8 for walk, 9 for trot, 9.5 for canter, 9 for suppleness, 8.5 for self carriage and balance, 9 for rideability and character, and 9 for suitability.

Ampère's first crop produced 5 sons selected for the KWPN licensing, with 3 approved for the Performance Test. The following year, his son, Fierce-S (out of a Ferro mare) was the champion of the KWPN licensing.

Ampère was sold to Sweden, where he drew praise from international dressage star, Jan Brink: "One of his greatest strengths are his amazing gaits with great moveability, a lot of air, always uphill and with his hind legs very well placed far in underneath his stomach."

Ampère has already produced a record priced foal - sold for €200,000 at Vechta. He is very popular, not only in Sweden, but also in the United States, where a number of his offspring are starring in Young Horse classes.

BALOU DU ROUET

Born 1999 Bay 171cm

Oldenburg

Germany's youngest millionaire – established in breeding as the best son of his legendary sire Baloubet du Rouet.

So far 150 of Balou's progeny are successful at advanced level/S level: the lifetime earnings of his descendants have already reached 1.294.478 Euros. 41 of his sons are licensed, amongst them the internationally successful stallions Horse Gym's Balzaci with Felix Haßmann (16 wins at advanced level/S level, internationally in Leipzig, Neumünster and Poznan/POL), Burberry with Jan Sprehe, and Balloon with Shane Breen for the Irish Nation Cup Team at the CHIO Aachen. Other top horses sired by Balou include First Class van Eeckelghem with Daniel Deußler and Bacardi 169 with Marc Bettinger. Year after year, Balou's progeny enrich the finals of the 5 and 6 year old show jumpers at the Bundeschampionship with recognisable frequency. Just as he did so himself: Balou du Rouet won 19 Springpferdeprüfungen, he won the finals of the Bundeschampionship, achieving the highest mark of 9.2 and since then he has been successful in advanced level/S level many times. His progeny, foals and sport horses, are very sought after at auctions in Germany and abroad.

Balou du Rouet: an international show jumping horse producer of extra class.

BALUGA (IMP)

Born 2007 Bay 16.2hh

Licensed Hanoverian

Photo: Stephanie Buchman

Baluga is the next step for Australian jumping breeding. His sire, Balou du Rouet is the best sire son of his illustrious sire, triple World Cup winner and Olympic horse, Baloubet du Rouet.

With the addition on his dam's side of the conformation and rideability of the Holstein C line, Balou is stamping himself as a champion sire of young horse class winners and now Grand Prix performers.

Baluga's dam sire is the Hannoverian, Carisimo. Son of the legendary Calypso I I. The Hanoverian Verband describes this sire as a genuine producer of both jumpers and dressage horses with a huge reputation for rideability.

Baluga brings to the table a tremendous mind, quiet, intelligent and very very rideable. He is competing at Mini Prix and Grand Prix level. He has a round, scopey jump, light off the ground and careful. He stamps his progeny with his uphill correct conformation, wonderful legs and feet, and the added bonus of bling. He is crossing over all types and breeds.

His oldest are two and breaking in very well. We can't wait to ride them!

Service Fee: \$2500 incl GST
Free return if no live foal. Fresh and chilled semen available.

BELISSIMO M

Born 1999 Liver Chestnut 169cm

Rheinland

The 'B' line is all the rage with German breeders - and largely because of Grand Prix star, Belissimo. The stallion is by Beltain, a son of one of the first successful dressage stallion, Bolero, out of the most famous mare in Dr Schulz-Stellenfleth's mare band - Ganseliesel (dam of the Garibaldi brothers).

Belissimo is out of a mare by another dressage specialist, Romadour II (sire of dressage mega-star, Rembrandt).

Belissimo won his Performance Test with a record-breaking score and went on to star at the Bundeschampionate and the World Young Dressage horse championships. Ridden at Grand Prix level by Hayley Beresford, he qualified for the London Olympic Games.

As a sire, Belissimo has been equally successful, producing many performance test winners, licensed stallions and state premium mares. He is the sire of the most exciting young dressage horse in the world, Isabell Werth's Bella Rose.

Belissimo is one of the highest ranked dressage sires in Germany, with an FN breeding value of 149. He has already produced 540 competitors with winnings of over €300,000.

Service Fee: \$3850 - 3 doses / 3 pregnancies allowed
Domestic Freight is charged at \$295. International upon application.

BELLARIO (IMP)

Born 2005 Black 16.2hh

Approved for Hanoverian, AWA, ACE

The 'B' line is the hottest line in dressage breeding in Europe right now, and the number one 'B' stallion is Belissimo M - himself a Grand Prix competitor, he is the sire of the most exciting young Grand Prix horse in the world, Bella Rose, and a score of others proving themselves in competition.

Bellario is out of a mare by the most successful son of Weltmeyer, Wolkenstein II, who was always highly rated not just for his athletic ability but also for type.

Dream scores achieved at all national competitions entered make Bellario the most Nationally decorated stallion in the Narbethong line up. Some of his achievements include National Champion 5yo at DJWTS, Champion 6yo at Sydney CDI, National Medium Champion, Advanced Freestyle Champion and winner of the 2014 Prix St George Stars of the Future Challenge.

Bellario is a compact uphill type with a kind disposition and above all, the highest degree of ride-ability. He was awarded a perfect 10 from Anna-Sophia Fiebelkorn as a six year old at the Sydney CDI.

The Narbethong stallions are now all located in NSW.

www.thestallioncompany.com

Bentley combines all the important bloodlines of modern jumping breeding; Clinton, Darco, Heartbreaker; all three of whom currently inhabit the World Top ten sire ranking. The combination of Clinton x Heartbreaker has become the modern classic, resulting in the legendary Cornet Obolensky.

His sire, Upsilon vd Heffinck was a 1.50 CSI winner with Ludo Philippaerts, his dam Souvenir vd Heffinck was a national and international competitor with Wilm Vermeir.

Bentley is already the sire of a French 5-year-old champion

An athletic, modern horse, with great looks and type – Bentley is an improver; so he suits the mare who lacks blood, both physically and mentally and who could perhaps do with some 'chic' and scope.

BORDEAUX

Born 2006 Bay 170cm

KWPN

From champion stallion to star producer

Bordeaux is the 'high flyer' of the FN breeding value estimation: with a total of 164 points, he is amongst the top of Germany's dressage sires. He is making himself heard in the equine world, with his oldest progeny dominating the championships and auctions from the very start. At the Oldenburg championships in Rastede 2013, Biscaya OLD with Andreas Müller, Bluetooth with Eva Möller and Bella Laguna OLD with Klarissa Alexandra Liss took the first three places. Biscaya OLD then became vice champion at the Bundeschampionship and Bluetooth reached a high place in the final. When autumn came, Biscaya set the new price record of 300,000 Euros at the Oldenburg autumn auction in Vechta. In 2014, Heide Queen OLD was Oldenburg vice champion in Rastede. Progeny of Bordeaux are convincing due to their exceptional movement. From his first crops many sons have already been licensed, amongst them Barroso, Bergolio, Buckingham, Buenos Dias, Bourgogne and Beckham GT. In 2014, Buckingham was the superior champion of his 70-day test in Adelheidsdorf.

In terms of genetics, Bordeaux is an absolute rarity. He is bred from one of the most successful dam lines in the world with the best of the Holstein, Oldenburg, Westphalia and Trakehner populations coming together.

Bordeaux: the best of the Netherlands and Germany united in one stallion.

BREITLING W

Born 1991 Chestnut 171cm

Hanoverian

Mass producer of top horses, Grand Prix winner and Bolero lineage preserver

He's a breeding phenomenon. Breitling W has sired a series of absolutely top-rate horses, clearly demonstrating his absolutely spectacular gene pool. His progeny have accumulated more than EUR 100,000 in lifetime competition winnings and include Burgpokal winner Blind Date, the mare that won the CHIO Aachen Small Tour in 2009. Baldessarini W has won Grand Prix classes and her full brother Balmoral W won international Inter I and Prix St. Georges classes as a seven-year-old. Bandor and approved stallion Bertoli W are already competing successfully in short Grand Prix classes and Biagotti W won the bronze medal at the World Championship for Dressage Horses in Verden in 2006 before going on to qualify for the Burgpokal in 2009. Today, he is competing at Grand Prix level. Berkeley W and Meggles Black Jack, Brioni W, Barilla W, Bicachu, Balalaika W are all successful advanced level competition horses. Breitling W has also produced numerous highly placed finalists at the Bundeschampionat and the World Championships.

BRETTON WOODS

Born 2006 Black 177cm

KWPN

Exceptional stallion with fascinating movement dynamics. Truly a 'European Stallion' by his genetics, his achievements and the traits that he passes on. Bretton Woods is a large framed stallion but at the same time is equipped with great physical harmony. Under saddle, he is fascinating to watch as he demonstrates his excellent rideability and his extraordinary quality of the three paces. In 2011, he won the Bronze Medal at the World Championships of the five year old dressage horses. Prior to that, he confidently won the 50-day test of the KWPN as well as the VSN Trophy in the Netherlands, where he was awarded a 10 for his rideability. Ridden by Matthias Alexander Rath, Bretton Woods entered the international circuit in 2013/14. In places such as Vidauban/FRA, Kapellen/BEL, Perl-Borg, at the traditional Wiesbaden Pfingstturnier and at the CHIO in Aachen he achieved seven wins and several high placings in Prix St. Georges and Intermédiaire I. As expected, his progeny are especially strong in conformation and movement. His first crop of foals turned three in 2014 and were immediately successful in Reitpferdeprüfungen. From his first crop, four sons were licensed with two being awarded premium and one becoming champion stallion. Bretton Woods' sire Johnson was the champion of his KWPN licensing in 2005 and participant at the finals of the World Championships of dressage horses in 2007. Internationally he is very successful in dressage with Hans Peter Minderhoud. His dam Annabel, bred to Jazz, produced the licensed stallion Chagall and has for years been one of the most highly ranked mares in KWPN breeding. With the highly significant black sire De Niro, who is currently in second place of the VWBFSH ranking of all dressage sires and the highly appreciated Romancier, who is dam sire to Fürst Romancier, the genetics of the dam side are well supported. *Bretton Woods: a dressage stallion with a big future in breeding and sports.*

www.gfeweb.com

The very best of the France with the best of Germany. One of France's 'elite' stallions, consistently producing winning jumping horses that are pleasant to ride. Breeding doesn't get better than Cabdula du Tillard.

His sire is the Olympic individual showjumping silver medallist, Abdullah and his dam, Quanagra is a FULL SISTER to the legendary jumping stallion, Jalisco! Jalisco was an Olympic competitor himself and is the sire of World Champion, Quito de Baussy and the most expensive jumping sire in the world – Quidam de Revel. Cabdula has winners all over Europe. Flo in Italy, in France - Istom, Idylle du Thot, Iman du Rozel, Jet Rouge, and many others prove that Cabdula du Tillard is a worthy inheritor of his exceptional bloodlines. Ismene du Temple also shows that Cabdula can produce winning eventers!

No semen fee until a live foal is on the ground to 72hrs! Conditions include: Use of listed AI centres only, does not include transport, handling and liquid nitrogen fees, up to a maximum of 3 AI cycles. Please contact Ego Summersea for further details.

From paddock to podium.

Right now Casall is the most successful stallion in the world - both as a competitor, and as a sire. He is the unchallenged King of the Holsteiners. But his son Calgary is also brilliantly bred on his dam's side. Countess is by Calato one of the best sons of the immortal Capitol, and renowned as a broodmare sire. She is from the famous Stamm 173 (Vase / Ramzes), the line that produced Capitol.

His pedigree is further enhanced through international jumping star, Silbersee, the sire of Silvester. Imported from France to Holstein, Silbersee was a grand son of the great Thoroughbred, Grey Sovereign, out of a grand daughter of the founding father of jumping breeding: Ibrahim.

Calgary is a striking individual, tall, athletic with flashy markings and a strong colour. He has been a success ever since he began his competitive career, and his first foals on the ground, have already proven his worth as a sire, by achieving champion, premium and elite awards.

A truly international package – right here in Australia.

Service Fee: \$2200 incl GST and first collection and handling.

Live foal guarantee.

CALLAHO'S BENICIO

Born 2005 Chestnut 16.2hh

Hanoverian

Callaho's Benicio is the winner of the 6yo class for dressage horses at the 2011 Bundeschampionate, which was described by Christoph Hess as "a great moment". Callaho's Benicio scored a 10 for his trot and walk, a 9.5 for overall impression and a 9 for his canter. You wouldn't think it could get any better, however, at his 30 day test he scored a 10 for all three paces, with a final score for dressage of 9.88 exceeding the score of his sire Bellissimo M of 9.63 in 2002.

St.Pr.St.Valencia is no slouch placing in tests for young riding horses as well as winning many accolades at the German Broodmare Show and Ratje-Niebuhr Show. With progeny on the ground, it was no surprise that a Callaho's Benicio filly was the winner of 2014 Hanoverian Foal Tour in Australia.

This stallion has gone from strength to strength and at Hagen 2015, Callaho's Benicio, ridden by Jessica Andersson put up a superlative performance, winning the Inter I with 78.3% and placing 2nd in the PSG to German Olympic horse Damon Hill with 77.5%.

Callaho's Benicio is a superstar stallion out competing and winning with the best in Europe. If you want the best, breed to Callaho's Benicio this season.

Callaho's Benicio frozen semen is exclusively available through Oakford Equine Hospital.

For Callaho's Benicio and other Gestuet Famos stallions available visit - www.gestuet-famos.de or exclusive Australian distributor Oakford Equine Hospital - www.oakfordequinehospital.com.au

Brilliant breeding – by the great Carthago, who represented The Netherlands at TWO Olympic Games, and competed in 15 Nations Cup teams before going on to be a champion sire, and sire of champion sires – like Mylord Carthago.

Capulet's dam is also royally bred – by Calvin Z who combines the blood of Caletto II (one of the best sons of Cor de la Bryère) and another great broodmare sire, Roman, out of a mare by Grannus II, whose sire dominated Oldenburg jumping breeding for a decade.

Now under saddle and being ridden by Danielle Butcher, Capulet Twins Ego Z is proving all that breeding does work. A beautifully balanced horse, with a scopey, stylish jump.

And the first foals on the ground are simply wonderful.

Breed to a stallion a girl can ride...

Yalambi's Carpino Z is well established as an international show jumper having successfully competed in classes up to 1.55 m. Carpino Z not only impresses with his jumping ability and rideability, but also with his outstanding pedigree and modern athletic look. As a sire Carpino Z is fast gaining an excellent reputation, having fathered several elite foals from the 2013 ACE Assessment Tour, including the Western Australian Champion Foal Yalambi's In Vogue. Some of his progeny are now under saddle and have exceeded their owners' expectations in terms of temperament, rideability and jumping ability.

Carpino Z has had a very successful 2015 competition season. He won the CSI2* World Cup Qualifier at the 2015 Sydney Royal Easter Show with his rider, Alison Rowland.

Cassini I is a proven producer of Grand Prix power houses and Cassiagio is no exception! He has all the ingredients of a top Grand Prix horse and has proven this already at only 8 years of age - now competing at World Cup level.

Cassiagio offers breeders type, temperament, ability, pedigree and character! His foals are all very correct, impressive and modern athletes who all seem to carry Cassiagio's wonderful nature and easy going attitude. He crosses equally well over Thoroughbred and Warmblood mares, so whether you are wanting to breed Showjumpers or Eventers, Cassiagio will not disappoint!

Check out Cassiagio on YouTube: <https://youtu.be/zA-HuisUwS4>

Standing at stud 2015/2016 season.

Service Fee: \$2200 inc GST. Free return (conditions apply).

Yalambi's Cassini Rosso is a young stallion with a bright future. Specially selected in Germany, Cassini Rosso has an impressive pedigree which includes the three rising stars of German jumping breeding: Cassini II, Stolzenberg (by Stakkato) and Lordanos. On his dam side we find the amazing Werther (through Wolke). Werther was named Hanoverian Stallion of the Year in 1992 and stamps his progeny with a powerful type, exceptional rideability and fantastic temperament. Cassini Rosso is an eye catching stallion with plenty of "Bling". He has a wonderful attitude and an impressive jumping technique. He is a naturally up-hill type with lots of elevation and three correct paces which makes him an interesting proposition for dressage breeders. He is fast establishing his reputation as a quality Sire. The 14/15 ACE tour awarded four Cassini Rosso progeny with Elite status.

Cassini Rosso has recently started his competition career and has exceeded our expectations in terms of jumping ability and enthusiasm. He is definitely one to watch.

CHAGALL D&R

Born 2007 Chestnut 171cm

KWPN / OLD

Waterview Park

David & Amanda Shoobridge
(02) 4372 2012
info@waterviewpark.com.au

www.waterviewpark.com.au

The best of both worlds - the number one stallion in Holland, combined with the most successful German dressage stallion.

This young Dutch stallion actually has a dressage breeding value HIGHER than his great sire, Jazz! Chagall is out of an elite preferent mare, Annabel, who is by the great De Niro out of a mare by the top Rubinstein son, Romancier. Annabel is the dam of Mathias Rath's Small Tour star, Bretton Woods.

Chagall is an honest and reliable stallion that shows great willingness to work with an uphill tendency. Chagall moves with a good leg technique, suppleness, and a very good balance plus elegance. As a dressage horse Chagall has incredible talent. Chagall can improve the dressage model plus adding technique and that special movement of the Jazz line.

The movement of Jazz - with the temperament of De Niro and Romancier!

Service Fee: \$3300 - 3 doses / 3 pregnancies allowed
Domestic Freight is charged at \$295. International upon application.

CHARLEMAGNE EGO Z

Born 2005 Grey 17hh

Zangerside ACE National Futures Squad

Jessica Atkins Photographics

Here is another magic cross, Caletto I over Caletto II - just far enough away to make it work!

The pedigree of Charlemagne Ego Z is outstanding, he is by Calvaro (Caletto I / Capital) who competed at the Sydney Olympics with John Whitaker and the Rome WEG with Jos Lansink.

With Whitaker, he won two of the biggest Grand Prix in the world - Hickstead and Aachen!

Charlemagne's dam Capri Ego Z (exp) is by Calvin Z (Caletto II / Roman) a full brother in blood to the jumping progenitor Cantus. Although he died way too early, Calvin Z produced international horses and is proving to be a tremendous broodmare sire. Roman was an outstanding broodmare sire.

Carolus I & II, Tin Rocco, Larome, Calvin, Cordeur – and of course, Cantus – are all out of Roman mares.

Charlemagne shows outstanding rideability, great technique with amazing scope. He is already competing on the World Cup circuit - the future is bright.

Charlemagne offspring have been chosen by some of Australia's leading riders and breeders. His progeny are living up to expectations with great looks and movement. They include Finch Farm Clifford, Cadel, Lucas, and Capote.

Service Fee: \$2200 incl GST and first collection and handling.
Live foal guarantee.

CHEVAL DE LUXE (IMP)

Born 2004 Buckskin 147.5cm

Approved for Westphalia, Wesser Ems, ASPR, ACE, Part Bred Welsh, Part Bred Arabian, Buckskin

Before coming to Australia, Cheval De Luxe was licensed, placed 3rd at his Performance Test in Germany and successfully competed at the Bundeschampionate in 2008 where he received an overall score of 8.17. He is an exceptional pony with an outstanding temperament. He has proved his value not only in the pony dressage arena, but as a true allrounder being competitive in both eventing and showjumping. He has many offspring competing in a wide range of disciplines including dressage, showhorse, eventing and showjumping. Cheval de Luxe is also the sire of many first premium/elite foals and last year's National ASPR tour winning foal - NEP Gold Class.

The Narbethong stallions are now all located in NSW.

2015/2016 Service Fee: \$1850 inc GST.

Live foal guarantee (see our contract for T&C).
Fresh and chilled semen available Australia wide.

FINCH FARM CHILL

Born 2005 Brown 16hh

ACE Premium

Here is the cross the European breeders are looking for... top Warmblood jumping stallion, over proven jumping Thoroughbred! And you see it in the horse: Holstein power, Thoroughbred athleticism and looks.

Converter is one of the best sons of the legend, Contender. Converter was the winner of 17 young horse classes judged on style and potential up to 1.40m. In 2005 he won the Oldenburg County Championship and was the second best German show jumping stallion at the young horse world championships in Lanaken. At his 30 day test in Adelheidsdorf, Converter stood out in the jumping where he was awarded the top score of 10.0 for his potential and scope, making him the best in the jumping category.

Chill's dam, Boera was a Grand Prix winner and she carries the proven Thoroughbred blood of Sovereign Edition, Sicambre, Aloe and Tudor Monarch.

Finch Farm Chill was a winner right from the start, taking out Champion of Champions at The Oaks Medallion Show. He is now winning and competing at Grand Prix level, and has started his World Cup career. His first foals have been in great demand - not surprisingly, they are trainable sporthorses with huge potential, aptitude and type. Don't be surprised if you see Chill progeny taking out some of the bigger Three Day Events in future years.

Service Fee: **\$1980** incl GST and first collection and handling.

CHRISTOS (IMP)

Born 2012 Bay 167cm

Hannoverian

A new bloodline for Australia, **CHRISTOS** brings real charisma with his remarkable movement and presence.

His sire **CHRIST**, was Reserve Champion at his Licensing, and shot onto the German Breeding Rankings with a dressage score of 129 points and an above average result in jumping - impressive proof of his versatility. He has eleven licensed sons, Premium foals, show winners & Auction foals.

His sire **COMPETENT** is another stallion with talents for both dressage and jumping, finishing his performance test in the top groups for both, then going on to produce many Licensed Stallions. The dam sire, **PICARD**, was winner of the 1979 licensing in Verden, and was highly regarded by jumping breeders. Christos' dam sire, **REVAN**, a Licensing Reserve Champion and multi-award winning FEI performance stallion, is known for producing horses with great temperaments. He has produced Premium auction foals and successful dressage horses. Revan's sire, **RUBINSTEIN** was a Grand Prix star in his own right – and a sire of many many great dressage horses.. He has sired over 60 licensed sons.

INSCHALLAH, the French Anglo Arab, was one of the foundation sires of the modern Oldenburg horse. He produced Olympic medal winning Dressage Horses, over 34 Licensed sons, top priced Auction foals & 83 premium mares.

CLINTON II

Asian Games Silver Medallist

Born 1994 Grey 16.3hh

Holsteiner

Clinton II was reserve Holstein Champion 2005, before going on to be a finalist at the Bundeschampionate as a five and six-year-old. In 2005 he became Holsteiner Vice Champion with Thomas Voss, then moved to Sang-Wuk Song, winning the team silver medal at the Asian Games. He has placed in Hamburg, Dusseldorf and Neumunster; also winning as Nations Cup level for Germany. He went to the World Cup finals in Gothenburg (13th) with Thomas Voss.

Carolus I started his breeding career as a stallion of the Holsteiner Verband, then changing to Baden-Württemberg. Within a short time there, he had international wins with Stefan Lauber. Carolus I's sire, Capitol I, is one of the most consistent show jumping sires in the world and founder of a widely successful stallion dynasty. Maternal grandsire Calypso II, a hugely influential sire-of-sires, including Contender. Full brother Clinton I is also a successful international show jumper and their Holstein 4965 line has produced some excellent competition horses such as Zandor Z/Jos Lansink, Padua/Ralf Schneider and Poor Boy/Beat Mändli. Clinton II's full sister, Hirtin, was a successful international show jumper under her competition name Chica Bay. She is also dam to the outstanding show jumping stallion Levisto, winner of the "Sires of the World" title in 2009. This is a stunning direct motherline for breeders.

Clinton II offers a great attitude and superb temperament. "Clinton II—is an impressive Holstein stallion with seemingly unlimited scope, incredible willingness to achieve and a performance-orientated pedigree." - Paul Schockemöhle. Perfect for compact Thoroughbred type mares, who need substance, up to medium weight mares who need scope and movement.

www.yalambi.com

Yalambi's Confidant is a young stallion with huge potential. Selected in Germany for his outstanding type and blood line, he arrived in Australia in December 2014. We believe he will have a great impact on Australian Warmblood and Sport Horse breeding. Confidant combines the famous and sought after bloodlines of both Confiance and Cornet Obolensky. He is a modern "blood" type with a beautiful expression. Confidant is the perfect balance of elegance and power through his elegant father line of Contendro I x Ladinos x Landadel, combined with the power and scope of his mother line which carries Cornet Obolensky x Acorado x Graphit. We are looking forward to his first season of foals.

Confidant has recently started his training under saddle and has shown amazing trainability, temperament and rideability.

Confidant is offered at a discounted rate this breeding season. Don't miss out.

All the world wants Casall blood, and Connect is one of his most exciting descendants! Connect is by Casall's son, Connor and was a star at the 2013 Holstein Stallion Licensing, with his Thoroughbred good looks. Connect was not only the best jumper of his year, but is a spectacular mover, the balance and strength of his canter is remarkable.

Connor is out of the direct dam line of the great Corrado.

In the pedigree of Connect, we find the Holsteiner stallions Contender and Lord. Out of this famous dam line (Stamm 2067) comes many 1.60m international jumpers including Ambassador, Waldrick and Canterbury.

Ridden by Thomas Konle, Connect has commenced his sporting career and shows great promise. By the way, he has no chestnut factor.

ASB CONQUISTADOR

Born 2001 Bay 16.2hh

AWHA Licensed and BWP Registered

Conquistador's pedigree is indeed 'black type'. A 7/8ths brother to champion sire Cornet Obelinsky. The cross of Olympians Clinton and Heartbreaker is proven. His dam Quintana, [Heartbreaker/Randle z] also produced Utrillo Z and Conquistador's full sister produced the Belgian 7 year old Champion and now grand prix horse Dax van p'abdijhoeve. As an added bonus Randle Z is the sire of World Champion top four 'Cortez'.

Conquistador may have lived a little in Vivant's shadow here in Australia and was sold to the United States after only one very successful season at World Cup here, but he too has continued his climb up the International ladder. With his young American rider, he has represented the USA on Nations Cups teams in Europe, qualifier for the World Cup final in 2013 and is still placing and winning at Grand prix level in the States and at Spruce Meadows in Canada. Conquistador recently won with Eric Navet at Spruce Meadows, the same weekend as his son, Oaks Constellation, starred for Australia, winning the Longines Six Bar with Jamie Kermond, in the shadow of the Eiffel Tower.

Service Fee: \$1100 incl GST (per dose)

CONTENDRO I

Born 1997 Brown 16.1½hh

Holsteiner

Contendro I is a supersire in his own right, and his sire Contender is one of the world's leading showjumping producers. By the time Contendro I was 14, he was a prize winning millionaire. Contendro I is still listed on the WBFSH Top 10 Show Jumping Sire Ranking. A son of Contendro I is Codex, who won the 2014 Rolex Grand Prix of Aachen ridden by star German rider Christian Ahlmann, one of the only two clear rounds in a top field.

However it's not all about jumping. Nearly 40 off his progeny have successfully competed at advanced level dressage. 86 of his sons are licensed and 98 of his daughters are state premium mares.

Contendro I is a performance horse producer, including Corona, ridden by German Olympian Sandra Auffarth took the Bundeschampionate title for 5yo event horses and twelve offspring alone have qualified for Warendorf.

For Contendro I and other Gestuet Famos stallions available visit - www.gestuet-famos.de or Australian distributor Oakford Equine Hospital – www.oakfordequinehospital.com.au

Service Fee: \$1250

DANCIANO

Born 2010 Black 172cm

Hanoverian

The calibre of a top producer of the future

Large in frame and at the same time charming and elegant: a self-confident dressage talent for the highest of demands. He convinces with three equally excellent paces and an exemplary rideability. At the 30-day test in Schlickau 2013, Danciano was the superior stallion of the quality candidates. He received a mark of 8.48 the highest overall mark, and a mark of 8.91 for stallions with an emphasis on dressage, the second highest mark. His trot was awarded a 10! In 2014, he made his début in sport achieving wins and placings in Reitpferdeprüfungen. He was Hanoverian vice champion in Verden and nominated for the Bundeschampionat. The first crop of foals in 2014 brought several premium foals from different breeding associations. The sire Dancier was Champion Stallion at the Hanoverian licensing in 2004 in Verden. In 2005, he won the stallion performance test in Adelheidsdorf and in 2006 he became Vice-Reitpferdechampion of Hanover and Bronze Medallist of the four-year-old stallions at the Bundeschampionship. The dam Rodney's Girl is full sister to the licensed stallion Rood Vander who won at advanced level/S level with Martina Hannover-Sternberg.

DANTE WELTINO

Born 2007 Black 17½hh

Hanoverian

Dante Weltino is the ultimate modern dressage type - tall, elegant and brilliant movement. It is not surprising when you look at his 'essence of dressage' pedigree.

He is by Danone I who has competed up to Intermediaire I level, and who stands alongside his famous sire, De Niro, at the Klosterhof Medingen. Danone is out of a mare by another of the dressage foundation sires, Weltmeyer.

On Dante Weltino's dam side we have another cross of Weltmeyer, through his most successful son, Welt Hit II, combined with the Thoroughbred elegance of Noble Roi. His great grand-dam, Ricarda, is the dam of French dressage star, Riwera (who is also by Welt Hit II).

Dante Weltino was first reserve champion of the 2009 Oldenburg Stallion Licensing, and his foals have proved to be spectacular, with one son, De Supreme winning the Lodbergen Foal Championship before going on to be the most expensive foal at the Vechta Elite Auction.

Dante Weltino does not have a red factor and is therefore homozygous (EE) and passes on only dark coats (no chestnuts).

DARK PRESIDENT

Born 2008 Black 167cm

Licensed KWPN

Dark President is the current Champion of the 2014-2015 KWPN Stallion Competition for Seven Year Olds. Ridden by Hans Peter Minderhoud, Dark President scored 86 points to claim victory in the Z-level competition. The judge of the final leg of the competition, Johan Hamminga praised the stallion for his strong hind leg and his way of moving.

Dark President's sire, Wynton, is one of the most successful sons of Jazz and he is currently competing at Grand Prix level. Wynton is out of a mare by Kyra Kyrklund's international star, Matador.

His beautiful colour and proven bloodlines make him an interesting stallion for breeders who want to combine new blood in combination with proven bloodlines.

Dark President is an honest and reliable stallion who is extremely willing to work. The walk is pure. The trot is uphill, cadenced and with impressive movement. The canter is expressive and scopey. Dark President moves with plenty of flexibility and has good position and balance.

Service Fee: \$3300 - 3 doses / 3 pregnancies allowed

DE NIRO

Born 1993 Black 16.3hh

Hanoverian

De Niro was an exceptional competition stallion winning Grand Prix dressage tests from the age of seven. He is universally regarded as one of the best sires of recent times, siring champion licensed stallions in succession and champion competition horses of international fame. In 2006, with 14 descendants at the German Young Horses Championships, De Niro provided the largest contingent. In 2007 his son Deveraux became World Champion of the Six-Year-Old dressage horses in Verden. In 2010, De Niro was awarded 5th place on the World Breeding Federation for Sporthorses with 10 internationally successful offspring at Grand Prix-level. Dablino won the Team Bronze Medal in Kentucky at the World Championships and Desperados won the German Dressage Derby in Hamburg. In 2012, De Niro was ranked first in the ranking of the World Breeding Federation for Sports Horses.

In 2013 the German dressage team with Desperados and D'Agostino won the Gold Medal at the European Championships in Herning, and a stallion by De Niro - Rosario, became champion stallion of the licensing in Oldenburg and was sold for sensational 910,000 Euros. In 2014, the German Dressage Team including Desperados and D'Agostino won the Team Gold Medal at the World Equestrian Championships in Normandy and the overall amount of prize value of De Niro's descendants reached more than 2,000,000 Euros. In 2008, De Niro was honoured by the Hanoverian Society with the title "Stallion of the Year". More than 70 licensed stallions originate from De Niro.

DIARADO

Born 2005 Black 170cm

Holsteiner

Founder of a new line for international show jumping breeding

Going for gold from the very start: Diarado was champion at the licensing in Holstein in 2007 and champion at the stallion performance test in Schlieckau in 2008. He impresses with exemplary ease at the jump, with superior scope and a willingness to perform that is second to none. He can turn as quickly as a cat and is equipped with a high intelligence, two attributes necessary for the technical courses of today. In the 70-day test he achieved dream marks: 10 for free jumping, 9.5 for cross country canter ability and rideability, 9.75 for jumping the course and 9.3 for jumping ability. In 2013, Diarado was number 1 of the FN show jumping breeding value estimation. In 2014, he was in the top group. From the first crops of foals, 27 sons were licensed in Germany, amongst them numerous premium sires. The Oldenburg stallion days in 2013 in Vechta were a Diarado festival: the son De Quidam was champion stallion of the OS-collection and sold for 115,000 Euro to Westphalia. Diarado's Boy was the top price at 450,000 Euros at the AOS auction and proclaimed a main premium winner. Year after year, he delivers much sought after foals, strong in conformation and movement, to many auctions.

Diarado: top for breeding and in sport!

DON DANCIER (IMP)

Born 2007 Black 17hh

Approved for Hanoverian, AWA, ACE

Don Dancier is by the most popular son of De Niro in Hanover, Dancier who was a Hanoverian Licensing Champion and a performance test winner. Dancier has produced 42 States Premium Mares/Candidates, 11 licensed sons, and has had 14 offspring in the Hanoverian Elite Auctions.

Don Dancier is out of a mare by Hohenstein who stood with De Niro at the famous Klosterhof Medingen. Hohenstein was famous for producing horses of great type, and he, and his stallion sons, was regularly in the top ten type producers on the Hanoverian breeding rankings.

Don Dancier is a Black Homozygous stallion who was awarded premium at the Hanoverian Licensing in Verden 2009. He then went on to successfully complete his performance test in 2010. Don Dancier stood at stud in Germany at Gestüt Sprehe before coming to Australia in 2011. Since arriving, Don Dancier has quickly climbed through the grades and is now consistently scoring over 70% at Advanced level Dressage, a testament to his high level of ride-ability and train-ability. Don Dancier is a dominant producer of uniformly tall, dark coated and expressive moving foals.

The Narbethong stallions are now all located in NSW.

rory@yalambi.com

www.yalambi.com

Yalambi's Fair Diamond carries the bloodlines of some of Europe's jumping super sires in his pedigree. The genetic input of Indorado, Indoctro, Nimmerdor, and Marco Polo has given Fair Diamond a powerful jumping ability as well as trainability and a wonderful temperament. Yalambi's Fair Diamond has the potential to become a world-class show jumper as he matures. His dam Akarmette impressed at the dam inspection not only with her outstanding looks, but also with a jumping score of 80 points! Akarmette's full sister is the international jumper Varmette K, who has won numerous Grand Prix. Other outstanding horses from Fair Diamond's dam line include the international jumpers and Grand Prix horses Toronto H (by Furore), Kamilia (by Julio Mariner xx), Nirmette (by Ramiro Z), Sjarmette (by Burggraaf), Urgent (by Numero Uno), and Wimette (by Karandsj) and U2 (by Calvados). The athletic Fair Diamond is a true jumping powerhouse and a real promise for the future. His first season of foals are stylish, eye catching, easy to handle and true athletes.

Fair Diamond has recently started his competition career and made us very proud by jumping a double clear round in 80cm class in his very first outing.

Hanoverian

Photo: Derek O'Leary

Revelwood Warmblood Stud

David & Amanda Shoobridge
(02) 4372 2011
info@revelwood.com.au

www.revelwood.com.au

More and more astute breeders are realising that the number one quality they need to be breeding for is rideability, and there is no stallion standing in Australia who has proven his rideability like Ferrero Rocher. Dressage fans love the calm, stylish ride he gives Amanda Shoobridge, a relative newcomer to FEI ranks. Breeders report that their FR foals are just like their dad – they want to please.

Ferrero Rocher and Amanda have commenced their Grand Prix dressage career and the handsome chestnut is showing his real talent for passage and one tempi changes.

It is not surprising since his sire, Florestan is known for producing highly rideable horses that riders love to have in their stable. His dam sire, Weltmeyer is known for producing that famous Hanoverian 'hind leg' and is emerging as THE sought after dam sire for the modern Warmblood.

Service Fee: \$2800 LFG. Available by fresh, chilled and frozen semen.
Domestic Freight is charged at \$295. International upon application.

Selle Français

Ego Summersea

(02) 4447 1418
summersea-ego@bigpond.com
Agent for Group France Elevage (Oberon du Moulin, Fetiche du Pas, Cabdula du Tillard)

www.egosummersea.com.au

www.gfeweb.com

The essence of Selle Français. His sire, Le Tot de Semilly won 22 international and 63 national Grand Prix. Le Tot's son, Diamant de Semilly was a member of the gold medal winning French team at the WEG 2002.

His dam is by the immortal Almé and out a mare by the great Thoroughbred jumping sire, Night and Day.

Fetiche du Pas was also a record-breaking competitor: Ridden by Eric Navet, he was Reserve Champion of France as a 4 year old, Champion as a 6 year old, and at the age of 7, the winner of two international Grand Prix. Injured in a road accident, Fetiche is now proving an excellent sire with splendid results in the French Young Horse classes.

No semen fee until a live foal is on the ground to 72hrs!
Conditions include: Use of listed AI centres only, does not include transport, handling and liquid nitrogen fees, up to a maximum of 3 AI cycles. Please contact Ego Summersea for further details.

FIDERFÜRST

Born 2009 Brown 16.2hh

Premium Licensed & Performance Tested Hanoverian & Registered HHSA, AWhA & TRAK

Downunder Photography

FIDERFÜRST by Fidertanz / Friedensfürst Premium licensed and performance tested Hanoverian stallion. He had scores of 9 for rideability and 8 for temperament at his 70 day performance test at Schlekieu.

FIDERFÜRST has surpassed our wildest dreams with his continued success in competition and his high quality award winning progeny. He has been awarded Hanoverian Novice Dressage Horse of the Year 2014, Queensland Novice Dressage Horse of the Year 2014, Queensland Newcomer Dressage Horse of the Year 2014 and Queensland 5 year old Dressage Horse of the Year 2014 with scores of 9 for trot and 8.7 for canter.

He has been consistently winning in Elementary classes this year with scores in the mid 70s and has successfully started his Medium level competition with 2 Reserve Champions from 2 starts.

His foals have won gold and silver awards at the 2015 Hanoverian Foal Tour with very high scores particularly for trot. Their temperament is excellent and all paces are above average.

FIDERFÜRST is a stallion of international quality.

www.bloomfieldfarm.com.au

Fiderstern is tall, elegant, leggy and athletic, with three exceptional basic gaits. Fiderstern was Elite classified early in 2011 and made his competition debut early in 2012, finishing in the Top 10 at DJWTS. The combination of the 'F' line, Fidertanz, and Capone, has produced a very trainable, willing and highly talented young stallion. Fiderstern is in training with German Bereiter, Janina Kletke, with the goal a long term career at high level dressage. Fiderstern's progeny are sensational - super temperament, sensational looks and conformation and extreme movement. His oldest are 3 Year Olds, with a few getting started under saddle. The feedback confirms their exceptional trainability. Their movement is a highlight, with so much expression and elasticity in the trot and canter. They are so eager to please with fantastic work ethic. With so much talent and presence, they are a genuine prospect for International Competition. Fiderstern has produced many Elite classified foals including the 2015 Australian Champion Filly for the ACE Assessment Tour. His progeny are proving very popular with all levels of rider from Amateur up to FEI riders.

FIDERTANZ

Born 2002 Brown 16.2½hh

Rhineland

A class of his own! Fidertanz can only surpass himself - and so he does impressively again and again.

At the Bundeschampionat he presented the 2013 Champion, Fürst Fohlenhof, who was also the 2014 Vice Champion of young riding horses. The 2013 Bundeschampion of young dressage horses, QC Flamboyant OLD, placed just ahead of Fideralala in the final in 2014. Fandango OLD succeeded in the 2014 final of five-year old dressage horses. Flanel placed in the final of the Hanoverian Championship for three-year old stallions. At the Oldenburg Championship, Fidertanz presented three champions, including the licensed Fiderbach OLD as well as two Brilliantring mares at the Elite Broodmare Show.

The beautiful Fidertanz passes on his great character and his extraordinary movements. From his crop of foals in 2014, a colt out of a Sir Donnerhall dam stood out especially and was sold for the top price at the Southern German foal auction. More than 400 offspring of Fidertanz are successful in sport, a fact that placed their sire again among the best German sires for rideability according to FN's estimated breeding value statistic. His progeny are attractive because they offer both rideability and willingness to perform. Almost 50 sons of Fidertanz are licensed. Fidertanz offspring reach top prices at auctions: the 2013 Hanoverian Champion Friemel went to customers from Brazil for over 200,000 Euro. Firefox O was one of the price highlights in Vechta.

FIRST AMPÈRE

Born 2011 Bay 16.3hh

Hanoverian

First Ampère is one of the most successful young dressage stallions in Germany today. He displays such elasticity in his movement, has three first class gaits and is an outstanding type. He achieved premium stallion status at the 2013 Hanoverian licensing in Verden. He won the 2014 Hanoverian Young Horse Championships, and was awarded the bronze medal at the 2014 Bundeschampionate in Warendorf. To top it off, he scored the second highest dressage mark at his 30 day stallion performance test with a huge score of 9.09.

His sire Ampère, bred in the Netherlands, was the KWPN Champion Stallion in 2008. He won his stallion performance test with excellent scores of up to 9.5 for his canter and very good scores for all of his gaits, rideability and talent for dressage (9.0). Ampère sired 15 licensed sons in his first crops, in Germany alone. His dam's sire Weltruhm was schooled up to advanced (S) level and sired many horses that were sold at auctions in Verden for high prices. The granddam Lonely Heart when bred to Connery, produced the licensed, black, premium stallion, Charles Aznavour. The dam's sire Latimer was a Bundeschampion and won dressage tests up to advanced (S) level. The dam line continues through Allround, an Argentinus son, going back to Lugano II, Duft I, Frühspport and Poet xx – all sires very popular in their day whilst the Hanoverian mare family of Scherentje has produced 28 licensed stallions. First Ampère represents all that you could ask for in a modern, athletic sporthorse.

For First Ampère and other Lodbergen stallions available visit - www.dressurleistungszentrum.de or Australian distributor Oakford Equine Hospital - www.oakfordequinehospital.com.au

FLORENZ

Born 2011 Dark Brown 16.3hh

Hanoverian

Florenz' pedigree brings together four of the best sires of recent years: Florencio, Sandro Hit, Donnerhall and Landadel.

His sire, Florencio, was World Champion of young dressage horses in 2004 and 2005, and combines the blood of Florestan and Weltmeyer. The dam sire, Sandro Hit, needs no introduction but the great-granddam, Landlady, is also interesting, since she is the dam of Lord of Loxley, by Lord Sinclair. Landlady is by Landadel, that wonderful sire of World Cup Finalists in both Dressage and Showjumping.

At the Oldenburg Auction auction, Florenz impressed spectators with his movement and charisma. Several guests were sure that this stallion would get a premium, but they didn't notice his brand. Florenz has a Hanoverian brand, and only Oldenburg dressage horses are able to get a premium at the licensing. Although he wasn't awarded a premium, he has extraordinary movement and is an exciting prospect for both breeding and sport.

In 2014, he was 3rd at the Hanoverian Championships and nominated for the Bundeschampionate. He passed his 30-day-test with the highest breeding value (calculated from performance tests) of all stallions in 2014, 157 points. His total dressage score was 9.4. He got a 10.0 (walk), 9.0 (trot) 9.25 (canter), 9.5 (rideability), 9.38 (interieur) and 7.75 (jumping). This year he has won riding classes with scores up to 9.1 (trot 9.0, canter 9.0, walk 9.0, conformation 9.0, training scale 9.5).

FOLLOW ME

Born 2010 Brown 16.1½hh

Oldenburg

Right now there is no hotter sire on the dressage scene than Fürstenball, and Follow Me adds the proven sires Donnerhall (twice) and the recently deceased, Alabaster, into the mix.

Follow Me was one of the colts at the 2012 Oldenburg licensing - a crop of exceptionally strong movers. He trotted his way right to the very top rung of the ladder. With his beautiful type and dynamic, powerful, elastic and uphill gaits, he charmed his audience, literally pulling them out of their seats. And best of all was his walk, which was forward moving to the maximum, while maintaining a clear four-beat sequence.

Follow Me also proved to be extremely rideable in his first tests under saddle. Follow Me - from the tip of his ears to the soles of his feet a winner through and through!

Service Fee: \$1150 per dose / 1 pregnancy allowed

Fontaine Blue VDL was bred and retained as a stallion by the famous VDL stud in Holland. His sire, Toulon is the most successful son of the great, Heartbreaker, winning the prestigious 5 star Global Champions Grand Prix of Sao Paulo with Herbert Boudy.

Fontaine Blue's outstanding pedigree does not have a weak line: Heartbreaker, Nimmerdor, Almé, Indoctro, Capitol, Caletto II, Emilion and Ladykiller xx – through the famous foundation mare of the VDL stud, Hyazinthe.

Fontaine Blue has commenced his jumping career in Australia and is impressing not only with his jumping ability but also his rideability. Fontaine is a very striking modern, athletic stallion who is a true gentleman, the perfect package for the Australian breeder, and available right here...

This exciting young stallion is by Fürst Romancier, the sire of FOUR dressage qualifiers to the 2015 Bundeschampionate! Fürst Romancier was fourth in the five-year-olds at the 2009 World Young Horse Champs and also at the Bundeschampionate. He is second-generation young horse star, since his sire, Fürst Heinrich, was World Young Dressage Horse champion in 2003.

His dam is by another Bundeschampionate star, Sir Donnerhall, and her dam is by international Grand Prix star, Don Schufro.

For Romance was the Oldenburg Stallion Licensing Champion in 2011. At his 30 day test, he scored 9.25 for trot and rideability, 9 for canter, and 8.88 for character.

He has already produced a Champion, and a Reserve Champion foal at the German Foal Championships.

Service Fee: \$1250 per dose / 1 pregnancy allowed

FÜRSTENBALL

Born 2006 Black/Brown 172cm

Oldenburg

A phenomenon equally for breeding and for sport

In a congruence never seen before, Fürstenball sets a new standard in his own career as well as in his heredity. He was champion stallion at his licensing and stallion performance test, Landeschampion and champion at the Bundeschampionship, champion stallion sire, winner of dressage advanced level/S level and VTV stallion of the year in 2013. In 2014, three of the four Oldenburg Landeschampions descended from Fürstenball. The three year old mare Fünf Sterne not only won the Oldenburg Landes-Reitpferdechampionat but also the Brilliantring of the Oldenburg Elite mare show this year. Amelie, won the silver medal at the Elite mare show. Five of the 13 participants in the Brilliantring descend from Fürstenball. In the class of the 4-year old mares and geldings, Fame W won the class. She was one of the Brilliantring candidates at the Oldenburg Elite mare show and shortly after, was placed second at the Bundeschampionship. In 2014, the Hanoverian Herwart-von-der-Decken-Schau was dominated by Fürstenball daughters. His first progeny have won Reit and Dressurpferdeprüfungen and have brought their sire into the top group of the FN breeding value estimation with 170 points. This stallion is pure fascination. With a maximum amount of easy elegance, suppleness and elasticity, he is the embodiment of the modern dressage horse.

Over 200 sires from Europe to breed from...

Champion stallion and top price of the Oldenburg saddle licensing and stallion performance test winner dressage 2014. "It depends on the quality under saddle" says Dr Wolfgang Schleppeinghoff, "because that is pointing the way ahead and brings the crucial advancements for our dressage horse breeding." Fürsten Look possesses a high amount of charisma. His exceptionally delicate features embody a nobility, which is even more prominent under saddle. The three paces are of extreme quality, his rideability marks are exquisite. His 30-day test could not have proved this more. With a dressage final score of 9.41, which has never been achieved before, he was clearly the champion of his discipline. Every generation of the pedigree brings a champion producer. The sire Fürstenball was champion of his licensing, stallion performance test winner, Landeschampion and Bundeschampion. In 2013, he had already won dressage advanced level/S level and became VTV stallion of the year in Vechta. The dam, State Premium Mare Lady Diamond is a full sister to La Perla with Holga Finken, winner at the Bundeschampionship and a half-sister to the licensed stallion Du Moulin.

Fürsten Look: an exemplary example of his father's genius.

FÜRST LOVE (IMP)

Born 2006 Black 168cm

Imported Licensed Oldenburger

Fürst Love has earned himself an enviable reputation for his phenomenal temperament, extremely correct movement and undeniable good looks; traits he consistently stamps his progeny with. Fürst Love was Licensed and Performance Tested in Germany as a 2 year old and came 3rd in Dressage, (being under saddle for only 6 weeks), receiving scores of 8.5 for walk and trot, and 9.0 for canter. His pedigree features Warmblood Legends: Donnerhall, Florestan, Rubinstein, Fürst Heinrich, and Sandro Hit. The famous Oldenburger mare families of Elite mares, Loretta and Love Story come together in Fürst Love's dam, Sanrubina; an incredible combination of genetics that practically guarantees consistently the highest quality offspring. Fürst Love's oldest progeny are now 4 year olds. Owners, riders, trainers and breakers are thrilled with these youngsters, their character and rideability being the highlight. They are calm, responsive, willing and forgiving, with expressive and correct mechanics in all three gaits, and super conformation. They are the complete package for Amateurs through to Professionals. Sire of many ACE Elite and Premium foals - recently his son, Bloomfield Fürstinus was Champion 4 Year Old at the Brisbane CDI.

GRAFENSTOLZ

Express Eventing Vice Champion

Born 1998 Bay 16.2hh

Trakehner

Here is the ultimate all-rounder, the ONLY horse in history to qualify for the Bundeschampionate in all three disciplines – and he has now produced offspring competing in all three disciplines. His sire Polarion was the 2000 National Trakehner Champion, and competed successfully with Markus Gribbe in World Cup Freestyles. Grafenstolz comes from the Trakehner family of Gundula 509 (by Hypnos-Columbus-Czardas; Poll-H'rem). This line also produced the stallions Ginster, Grandioso, Gundo, Gunnar, Guter Planet, the licensing winner Guter Stern and Guy Laroche.

Grafenstolz was awarded a premium at the 2000 Trakehner licensing as a two-year-old. As a six-year-old he made German breeding history by becoming the first horse ever to qualify for the finals of the Jumping, dressage, and eventing in the same year. He went on to win the eventing with an average score of 9.7 out of ten. This was followed later in the same year by him winning the World Championship for young event horses in Le Lion d'Angers, France. In 2006, as an 8-year-old he won the bronze medal at the German Championships, then placed in two international three-star competitions and won three international two-star competitions. In November 2006 he received Trakehner Horse of the Year award given by the Trakehner Verband. In 2007 and 2008 he won at Compiègne. In 2007 he competed in a puissance class and cleared 2 metres. In December 2009, Grafenstolz competed in his first Prix St George and won it with 69%. Most recently (October 2011) Grafenstolz took second place in the Express Eventing final at HOYS, ridden by Alex Hua Tian.

As a sire, Grafenstolz was an immediate success. He is already the sire of UK champion eventing foal, yearling and British Young Event Horse, 5-year-old Zeno in 2011. Six of the top 12 BEF event foals were by Graf in 2011, record Elite scores again in 2012. Grafenstolz guarantees refinement, looks and movement.

This is your chance to get in early on a future supersire!

Great Blue is the first son of Marcus Ehning's star, Plot Blue to be approved by the KWPN. Plot Blue is by Mr Blue, who has consistently produced international winners, and excellent breeding stock. Plot Blue's dam is by the most influential Westfalen jumping stallion of all time – Pilot.

On the dam side we find the ster preferent mare Nibero, a daughter of another showjumping legend, Libero H. Via the KWPN stallions Concorde and Zevenaar the dam line goes back to Zaline, a mare by Farn.

Once again, we see the successful combination of Libero H and Farn, who both have the important mare Dorette in their pedigrees.

At the KWPN performance test Great Blue was praised for his jumping technique, huge scope and powerful canter. The stallion is noted for his rideability and willingness to work.

Here is another chance to get in early and in front of the crowd!

Grodino is the first KWPN approved stallion of the international showjumping stallion Eldorado vd Zeshoek, who has recently been teamed with young Dutch jumping star, Willem Greve. They have already won their first 1.50 class at Arnhem and are destined for stardom. Eldorado is by the great sire, Clinton, out of a mare by the top son of Nimmerdor, Toulon.

Grodino's dam is by Celano, one of the best sons of Capitol. His Grand dam is by Concorde out of a mare by the English Thoroughbred jumping stallion, Mytens xx. At the base of this dam line we find Korina, a daughter of Gondolier and dam of the famous showjumper Dorina (s.Transvaal) who was successful with German rider Franke Sloothaak.

At his performance test Grodino was awarded high grades for jumping technique, scope and overall ability. The report mentions:

"A powerful and balanced canter, good and fast jumping reflexes and both a good front and hind end jumping technique. As a showjumper Grodino shows lots of ability and provides his rider with a good feeling."

Licensed by the Hanoverian Society

Higgins is sired by the ultimate Eventing sire and the best Thoroughbred stallion in sport horse breeding during the last three decades: Heraldik xx. One of those rare stallions who has had his progeny compete at Olympic level in all three disciplines.

Higgins dam line is For Pleasure, currently the most sought after sire of international showjumpers, combined with Grundstein and Arsenik, both producers of international competition horses.

With over 50 foals on the ground, Higgins has been popular in both eventing and showjumping breeding programs. He has been used over Thoroughbred mares and on mares with a high percentage of Thoroughbred blood to increase jumping scope, movement and power and to improve the canter. He has also been used over Warmblood mares, that would benefit from an infusion of "blood and refinement" because he will not weaken the jump and canter.

Higgins competed successfully to Grand Prix level showjumping and his progeny exhibit the quality, athleticism and his outstanding temperament. Injury has taken him away from the competition arena, but his progeny are now being ridden by the growing list of elite riders.

Deon Stokes: 0419 940 397
info@stokessporthorses.com.au

www.stokessporthorses.com.au

Hollywood Magic SS is undoubtedly the best bred eventing stallion to come to Australia. He is the only son of Mighty Magic standing in Australia and is out of a mare by Heraldik - the number one eventing sire in history. In fact, Hollywood Magic boasts a double cross of Heraldik xx, since Mighty Magic is out of an Heraldik mare. Mighty Magic's sire, the Thoroughbred, Mytens xx, was a Grand Prix jumper, and stood alongside the great Voltaire, at Jan Greve's famous jumping stud, De Watermolen. Mighty Magic needs no introduction to eventing enthusiasts having won the World Eventing Young Horse Championships as a seven-year-old after being runner-up as a six-year-old.

Hollywood Magic is 5/8 Thoroughbred, branded Hanoverian and about to start his competition career. He is an exceptional young stallion who we expect to have a huge impact on eventing breeding in Australia.

2015/2016 Service Fee: **\$1850** inc GST.

www.waterviewpark.com.au

In February 2015, the SF stallion JAGUAR MAIL was licenced by the German Sporthorse - the Studbooks of Baden-Württemberg, Bayern, Rheinland-Pfalz, Sachsen, Thüringen, Sachsen-Anhalt, Brandenburg, Berlin.

Jaguar Mail is 7/8ths Thoroughbred, by a Grand Prix showjumper and Prix St Georges competitor, Hand in Glove, and out of a mare by the most successful Thoroughbred jumping sire (and competitor!) of modern times, Laudanum, with the additional blood of two of the all time jumping greats: Almé and Gotthard.

Jaguar Mail was a member of the Swedish Jumping Team at the Beijing Games.

As a sire, he has been a sensation: Jaguar Mail is the leading sire of eventers in France and he is the sire of Tenareze, the 6-Year-Old World Young Eventing Horse Champion of 2013. He has 18 competitors listed on the VBFSH eventing rankings, including his two offspring out of Headley Britannia - Little Britannia and Britannia's Mail.

LAURIES AS (IMP)

Born 2002 Black 170cm

Licensed & Performance Tested Hanoverian Stallion

Black and beautiful, Lauries As amazes everyone he comes in contact with. The most gentle of horses, he is a real 'people person' and passes this wonderful trait on to his progeny. A stunning black stallion, Ace completed his Performance Test in Germany with outstanding scores: character 10, temperament 9.5, willingness to work 9.5, walk 9, canter 8.5, jumping 8. Not only is he sensational under saddle himself, having won all 4 of his starts at Intermediaire II this year, as well as Grand Prix & Inter II Champion at the Brisbane CDI, but now his first progeny are under saddle and wowing everyone with their talent and trainability in both dressage and eventing. These include the talented youngsters: Artes Lauries Gift (DJWTS & Sydney CDI Res 4 y/o Champion 2015), Remi Lauries Star (4 y/o Young Horse & Dressage Champion), Remi Latin Lover (Interscholar Eventing Champion), Remi La Vida Loca (Champion Yearling Allbreeds Youngstock Show 2015) and Laquestar (multiple Show, Young Horse & Dressage Champion). We already knew that he produced elegant, long legged foals with beautiful heads and movement to die for, but we now know that they are also going to be head turners under saddle as well. Watch out for this stunning black beauty. He has all the attributes of becoming a champion stallion!

LEPRINCE DES BOIS

Born 1999 Dark Brown 166cm

Selle Français

This is the eventing breeder's dream stallion!

He's done it himself – competed successfully at Burghley, Luhmühlen, Pau and Badminton – and he is by one of the greatest eventers in history, Yarland's Summer Song (who went on to be one of the most successful sires of eventers) out of a mare from the line of the great Galoubet.

Yarland's Summersong was an Olympian with Marie-Christine Duroy, and also a Grand Prix showjumper. Summersong spent five years in the world top ten ranking for eventing sires, along with his father Fleetwater Opposition, another eventing supersire, and the sire of Opposition Buzz.

Leprince has 8 four-star events under his belt, he finished 2011 as the number 3 eventing horse in the world, and the highest ranked Stallion. Leprince finished 4th at Pau, 7th at Burghley and 11th at Badminton.

This handsome stallion is 65.63% Thoroughbred, with the movement of the Trakehner, and the jump of the Selle Français. Perfect for Thoroughbreds, and to refine Warmblood mares. Recommended for mares who need refinement and elegance, but also those who lack scope and movement. He's short coupled and compact, and so mares who are rectangular will go well with him.

Service Fee: 900€ / \$1350AUD NO GST!

Live foal guarantee.

Over 200 sires from Europe to breed from...

Lissaro van de Helle was awarded a premium in the jumping on the occasion of the 2007 Hanoverian licensing in Verden. He won several tests for young riding horses, and in 2008 was finalist at the Hanoverian Championship for riding horses in Verden. In the same year he became the towering winner in the final at the Bundeschampionat for three-year-old stallions and then dominated the 30 day test with top scores in all disciplines in Munster-Hahndorf after he was licensed for the Hanoverian Society at two and a half. This amazing stallion went on to win at the 2009 and 2010 Bundeschampionate Finals, which is an historic achievement. He also competed at show jumping and won as a four-year-old. Lissaro van de Helle has a phenomenal, relaxed, extended walk with much overstep. He has an energetic trot, actively engaged hind leg, and brilliant up-hill canter with good length. He collects well and has excellent self carriage, and tremendous rideability. He leaves an impression with his super attitude and cool, relaxed manner. He is in the top group of the FN breeding value estimations of breeding stallions.

From paddock to podium.

He has just started under saddle and continues to amaze us with his jump! Really we shouldn't be surprised. Massimo Quality is by French jumping star, Mylord Carthago, who is not only by the great Carthago, but out of the greatest broodmare in jumping history, Joris de Brabander's Fragrance de Chalus.

Massimo's dam line is just that - quality. Quidam de Revel led the Selle Français breakthrough. Suddenly jumping breeders all over the world wanted a French stallion, but not any French stallion, international jumping star, and the number one jumping stallion on the World Rankings - Quidam. It gets better, on the next line we find the great Galoubet, and on the dam line, Tanagra, the Furioso daughter, who also appears again on Massimo's top line as the dam of Jalisco B.

This is jumping breeding at the cutting edge. This is the future of the sport.

MIGHTY MAGIC

Born 2003 Bay 16.2hh

Holsteiner

Mighty Magic completed an exceptional 30-days performance test in Prussendorf in 2006, scoring highest marks for basic gaits, rideability and show jumping capabilities. He confirmed this fantastic overall impression at his 70-day-performance test in 2007 and following various successes in event horse competitions, he became 2008 Vice Champion of German event horses in Warendorf under Andreas Dibowski. In 2009, he became Vice World Champion of six-year-old event horses in Le Lion d'Angers (FRA), crowning his career in 2010 with the World Championship-title for seven-year-old event horses.

The dam sire Heraldik xx, was one of the best refining stallions in earlier breeding history and very popular all over Germany. He was of special interest for breeding event horses.

Mighty Magic's first foals were of more than convincing quality. Various of them were especially awarded in the different breeding areas. In 2009, one of Mighty Magic's first sons was licensed in Redefin, and today, he is at home in the United States. In 2010, his second son Magic Graf was licensed in Redefin, too, he was also especially awarded and honoured as best Mecklenburg stallion of his age group. Various daughters have been awarded state premium mare.

NINTENDRO

Born 2008 Grey 16.3hh

Photo: Julie Wilson

By prolific sire Numero Uno KWPN out of a Contendro I mare, both these sires have been in the top 10 WBFSH rankings. Nintendro's dam Congranda has been successful up to World Cup level placing in 2014 from limited outings. Nintendro stands over 16.3 hh, and is an outstanding, good-looking, athletic individual himself, with great conformation, good character and an outstanding aptitude for the sport.

All his foals have inherited his lovely intelligent head, great structure and wonderful temperament. His very first foal is currently being broken in; he shows quality and is a dream to work with.

Nintendro displays all the skills for showjumping at the highest level, currently jumping 125 - 135 level. In 2014 Nintendro won and placed at Royal Shows and the Australian Championships in good company.

Results 2015

Placed 5th at the Sydney Royal and invited into the Mini Prix where he displayed a copy book round with just 4 faults over a 145cm track; Riders Series 4th place 140cm class and 1st 130cm Championship; CDI 2nd Oaks 7 year old Final; Sunshine Coast Agricultural Show 1st Future Stars; Qld State Championships 1st 125cm Final

NOBLE DANCER (IMP)

Palomino 145cm

German Riding Pony

For the smaller Australian rider, here's a miniature dressage horse, just like the famous German Riding Ponies. Noble Dancer moves with elegance, rhythm and elasticity, and epitomises the modern day Dressage Pony with a jump with plenty of scope!

Noble Dancer's sire is an elite stallion who was himself successful in sport winning the bronze medal at the Bundeschampionate and was twice State Champion. He won his stallion test with the dream score of 8.95. He also scored a perfect 10 for rideability at the stallion test. He is the sire a twice Bundeschampion & 22 licensed sons who have also been licensing winners.

At the 2013 Bundeschampionat, Noble Dance was 5th in the final of the four-year-old stallions with a score of 8.1. Since his arrival in Australia, Noble Dancer has won a Young horse Class with a score of 83%, and is now competing Medium with victories at every start.

At Dressage with the Stars in March 2014, Noble Dancer was proclaimed the Overall winner of the Ponies with the Champions of Champions award and the guest rider Helen Langehanenburg commented on his excellent rideability and super paces.

Noble Dancer is the ideal sire to produce Dressage and Performance Ponies. He will cross well with Thoroughbred and Warmblood mares to produce smaller trainable horses suitable for almost any discipline. Noble Dancer will add scope and movement, substance, quality and beauty - and most of all his perfect temperament and character!

Service Fee: \$2200 LFG.

Agent for Group France Elevage (Oberon du Moulin, Fetiche du Pas, Cabdula du Tillard)

www.egosummersea.com.au

www.gfeweb.com

Oberon du Moulin is by the last Thoroughbred stallion to win major European Grand Prix, Laudanum, also sire of such international show jumpers as Oh Star (Todd Minicus), Elu de la Hardiere, Aferco, Fergar Mail, Du Gateau, Hastings, to name but a few. Here is Thoroughbred blood with proven jump.

His dam, Herbe d'Auzay was an excellent show jumper in her own right, and then a first class brood mare, producing amongst others, the licensed stallion Crystal St. Clair. Herbe's dam is by the famous Nithard, sire of an entire line of international show jumpers, including Stella (dam of Quick Star and Olisco).

Oberon du Moulin himself had a brilliant show career, winning more than \$180,000 over the course of his career, including being a finalist in the Fontainebleau 4, 5 and 6 year old championships and placing in more than 20 national and international Grand Prix, before retiring in 1996 to be used exclusively for breeding.

Oberon's get are also winning internationally, notably the stallion CARNUTE, exported to Holland, the National Stud stallion DESIR CHAMPEIX a top French stallion, Danoso IV, Espadon V, etc.

00 SEVEN (IMP)

Black 16.3hh

Preferant Keur KWPN and Approved Hanoverian

He is by one of the most influential sires of modern times - Rubinstein, and out of a full-sister to Olympic Barbria, a star in the Dutch dressage team with Tineke Bartels. 00 Seven was champion of his KWPN Performance test. He was the highest graded dressage stallion with a score for walk 8, trot 9, canter 9, ability for dressage 9. He drew praise from the jury which described him as a top dressage horse of the modern type. He is an elegant movement, in wonderful balance and with real charisma.

When he came to Australia, he quickly established himself as one of the most popular Grand Prix horses in the country, giving David Shoobridge a perfect introduction to dressage at this level. His super uphill canter, light elevated trot and ground covering walk were always sure to please the judges and his amazing rideability, super work ethic and damn good looks always charmed the crowd! With scores over 73% in the freestyle, 00 Seven had a fantastic career at Grand Prix.

His progeny are now continuing his legacy in the Dressage arena with offspring such as Zudenwind winning in Grand Prix with 70+% & President's Winston taking the FEI Young Rider circuit by storm in Europe. His son, Agent de Jeu, has moved up to Medium Tour and was victorious in his first class. 00 Seven was honoured at this year's KWPN licensing with a preferant award. With over 70 progeny competing at FEI level you can't go past 00 Seven as a top producer of talented trainable dressage horses!!!

Service Fee: \$3300 LFG.

www.revelwood.com.au

A star in Europe, an Olympic Dressage and WEG competitor, with sensational progeny on the ground - and he is right here in Australia!

Quando Quando is by the influential Selle Français stallion, Quattro, out of a mare by that famous make of 'type' Akzent II.

He was the top priced colt at the Vechta Auction, and won the Stallion Licensing, before becoming Champion of his Performance Test with 9.5 for rideability and straight 9's for walk, trot and canter. Ridden by Kristy Oatley, he was 5th at the World Young Horse Championships, 5th in the Nürnberg Burgpokal, winner of the 2004 World Cup B Final, and represented Australia at the Beijing Games.

Quando Quando is the sire of seven licensed stallions, including Quaterman, the sire of one of Germany's leading dressage stallions, Quaterback.

His son, Quantensprung (who stands at the famous Klosterhof Medingen, home of De Niro) will represent Quando Quando at the World Young Horse Championships 2015 in Verden.

QUATERBACK

Born 2003 Chestnut 172cm

Brandenburg

A Stallion where dreams are met for riders and breeders alike. Absolute performance blood inheritance potential of top rating combined with a well balanced character and a will to win that is second to none. His trademark is the light-footed trot, as well as the revolutionary gallop, evaluated at the national championships with a 10. In 2013 he clinched the title of Vice State Champion in the dressage of the National Association of Berlin-Brandenburg.

Quaterback who comes from the same line as Poetin, Samba Hit and other of famous Neustadt P line families, is one of the most sought after stallions in the world. He fathers numerous Championship winners and auction toppers internationally. He has approved sons in almost all breeding areas in the world, 57 registered with the FN. In 2014 Quaterback was the most successful sire of the World Championships of young dressage horses in Verden - seven offspring were nominated, and many descendants also qualified for the Bundeschampionat in Warendorf.

HLP | 30-day trial: Weighted endnotes/total: 8.89; Dressage: 9.14; Jumping: 8.43
HLP qualified for the Bundeschampionat

QUATERBACKS JUNIOR

Born 2008 Chestnut 148cm

German Riding Pony

For breeding sport ponies, here is this extremely charming pony stallion.

Junior Quaterback is known to combine his skills and strengths, he shows a very interesting talent for jumping as well as unique movement. His sporting achievements in 2014 include victories in dressage and jumping tests of the classes A and L. In 2012, he received his qualification for the Bundeschampionat in Neustadt (Dosse) with the score 8.67 and went on to place second at the final of the national championships. At his 30 Day Test he put his competitors in the shade, and was the clear winner with a total score of 8.53. With his foals he is clearly at the top of the Association of Brandenburg-Anhalt. Even beyond his home breeding area, he is a sought-after supplier of foals and can point to successful breeding in all of Germany. In the breeding area of Hannover he produced Que' Padre already a licensed son.

His father Quaterback is a successful, established breeding stallion of note and is successful in dressage of class S. The mother Prinzess is one of the most successful Mares of the Association. The dam sire, Constantin is one of the top ten of the most successful sires in Germany.

QUINTERO LA SILLA

Born 1998 Dark Bay 16.3hh

Holsteiner

Quintero Ask's bloodline is an interesting blend of the stallions Quidam de Revel, Caletto II, Calando I, Farnese and Ladykiller/TB.

Quintero comes from the highly respected line 569. Suitable for: Jumping, Eventing. Quintero is the first licensed Quantum son. Big-framed with an extremely powerful back he is considered as one of the Holsteiner Verband's most talented jumpers. This athletic stallion stands out due to the carefulness, power and overall quality of his jump.

At his 70-day performance he topped the jumping section with a score of 144.15. Quintero was a successful young horse, placing at the Bundeschampionate and the World Championships.

Performances and Results: In 2007 he and Rolf-Göran Bengtsson started on a Grand Prix career that saw the pair win and place at some of the world's most prestigious competitions. In 2013 the pair finished 6th at the Gothenburg World Cup final.

He gives scope, blood, strength, and his progeny are noted for strong backs, carefulness and scope.

Offspring results: Breiting LS, 8-year-old licensed Quintero son out of an Accord II dam was sold to a sponsor of US star Beezie Madden for a king's ransom.

River Dance (imp) by Rubinstein I was campaigned in official EA dressage at Intermediate I level until his retirement. James has produced successful Grand Prix dressage horses such as Sue Hearn's Remington, Advanced champion Kinnordy Ragusa and CIC eventing horses including Chris Burton's Kinnordy Rivaldo and Lauren Balcomb's Kinnordy Rubino. Many stallions never achieve this, let alone in their lifetime.

River Dance's progeny have a delightful temperament, super type, fantastic movement and outstanding trainability. James' son Kinnordy Rilke (out of PrM Kinnordy Gala - Graf Landau imp x Winterkoenig imp) is a super type with fantastic movement and outstanding trainability. He was Supreme Champion Warmblood at Adelaide Royal Show 2014 and is a successful combined driving and driven dressage horse.

www.thestallioncompany.com

Royaldik is by Royal Diamond, a Grand Prix dressage competitor (and full-brother to another Grand Prix star, Rohdiamant) who combines the blood of dressage superstar, Rubinstein and the Anglo Arab, Inshallah.

His dam is the full sister to the greatest eventing stallion of all time, Heraldik xx whose offspring have dominated the sport at the highest levels for the past decade. But Heraldik has also produced international showjumpers, like Herald, and international Grand Prix dressage horses, like Ekwador.

Heraldik has 953 offspring registered with the German Federation; 14 are at advanced and higher level dressage and 18 offspring are registered at 1.40m and higher showjumping. In 2009, he took number one spot on the Rankings of Eventing Sires for the WBFSH for the first year, only slipping to second place in the 2014 rankings behind Master Imp. On the 2014 standings, he is listed with 21 progeny...

Royaldik is a star in his own right. He was a finalist at the Bundeschampionate in BOTH jumping and dressage as a five and six-year-old, and went on to be a winner at Advanced level dressage. As a sire, he is famous for the rideability of his offspring, producing athleticism and temperament. Royaldik has already had a South German vice-champion from his first crop. He is a super stallion for dressage and eventing.

SANDRO BEDO (IMP)

Born 2002 Black 171cm

Licensed & Champion Performance Tested Westphalia, Approved for Hannover

Sandro Bedo is our dressage dream come true. He can only be described in superlatives - talented, athletic, beautiful, rideable and not forgetting black, shiny and oozing character. He takes his place with pride amongst Australia's most highly credentialed imported stallions. He passed his 30-Day Test in the Spring of 2005 in Westphalia and in autumn of the same year was Champion of his 70-Day Test with high scores for rideability.

Sandro Bedo combines the most successful bloodlines in the dressage world today in the form of the world renowned Donnerhall - whose line has produced Grand Prix legends such as Damon Hill and Desperados, with Sandro Hit - whose descendants look set to provide the next generations of Grand Prix stars. Sandro Bedo has already produced German Foal Championship winners, Bundeschampionate qualifiers and Elite Auction Candidates from his earlier crops and his earliest progeny are now successfully competing at international Grand Prix level worldwide.

Sandro Bedo is also a competitor - with success in young horse classes and wins at National level in Germany with scores of over 70%. He is established at Prix St George and currently enjoys utilising his talents and athleticism improving the skills and fitness of his middle aged lady rider owner who is definitely living the dream riding him whilst contemplating a long awaited return to the competition arena before too long!!

If you would like to live the dream as well Sandro Bedo is available to a strictly limited book for the 2015/16 season.

SEZUAN

Born 2009 Black 17hh

Danish Warmblood / Oldenburg

Last year he was crowned Five Year Old World Champion with a score of 10.0 for his canter, 9.6 for his wonderfully elastic trot as well as his magnificent, ground-covering walk, 9.9 for his outstanding dressage ability and 9.7 for his remarkable suppleness. Ever since he was licensed in Denmark in 2012, Sezuan is the most talked about stallion in the world.

His sire, Blue Hors Zack, was Licensing Champion Stallion not only in Holland but also in Denmark. Zack's pedigree combines the bloodlines of Rousseau, Jazz and Belisar. At the Danish licensing in 2013, Zack was again the sire of the Champion Stallion after his son Zorba Højris had triumphed the year before, in Herning in 2012. His daughters dominate the Elite Broodmare Shows. Sezuan's dam, Bøgegårdens Don Romina, is a gold medal mare who also took the Mare of the Year title in Denmark.

Sezuan passed his stallion performance test in 2012 in Denmark with scores never awarded before: He was given the highest possible score of 10.0 ten times!

Sezuan's foals are eye-catchers with their long legs and expressive movement, and have already been extremely successful in the Foal Shows and Auctions. The Danish Champion Colt Strandagergards Sirocco achieved a new sales record with his price tag of nearly €74,000.

Service Fee: \$4100 per dose

SIR DONNERHALL

Born 2001 Dark Bay 171cm

Oldenburg

Sire of World Champions, Winners at the Bundeschampionship, record price-setters and licensing champions

For years, he has dominated the Bundeschampionship as no sire has done before him. In 2014 the daughter Special Diva OLD won the Bundeschampionship of three-year-old mares and geldings, and prior to that she became Oldenburger Vice-Landeschampionesse. The licensed son Sir Heinrich dominated the scene of the five-year-old dressage horses. In 2012 and 2013, his son Sa Coeur was World Champion of the young dressage horses in Verden and top horse at the PSI auction in Ankum. Sir Donnerhall's progeny are always sought after. For years Sir Donnerhall I was one of the most successful sires of auction horses and continuous producer of top horses achieving 6 digit prices. His progeny impress again and again with their great style, a modern type and subtle movements. The FN breeding value association ranks Sir Donnerhall I as one of the best sires of dressage horses. He quickly turned out to be a foundation stallion: he has sired 89 licensed sons so far.

Sir Donnerhall: one of the surest bets among German dressage horse producers

SKYWALKER (IMP)

Born 2004 Mahogany Bay 168cm

Licensed and Performance Tested for Denmark

Skywalker is so picture perfect that we often describe him as our 'toy horse - he is beautiful, kind and so delightful to be with it is sometimes hard to believe he is real (or a stallion!)

We love our Sky - and we have no doubt that anyone who wishes to breed a focused, athletic and rideable partner with lots of bling will adore their resulting Sky baby.

Skywalker provides breeders with classic genetics - Florestan, Donnerhall with a dash of Trakehner magic via Schwadronneur.

He's also a formidable competitor winning back-to-back to State titles in 2010 and 2011 and being awarded the Uwe Spenlen Award Dressage Horse of the Year in 2011. After sustaining an injury whilst jumping - he returned to work in late 2013 and quickly formed a remarkable partnership with Steph Spencer culminating in him being crowned 2015 WA State Elementary Champion. He maintains a 70% plus competition score average and is now regularly receiving 9's for his paces and work - most particularly for his big trot and uphill, engaged canter. FEI is on the horizon for 2016 - and we can't wait for his results.

He stands at stud for the 2015/16 season to a limited book - so go on - breed a Sky baby - you know you want to!!!!!!

SOMERSET D'ISLE

Born 2009 Brown 17hh

Holsteiner

It is a well known fact that the mechanics of great dressage horses can be enhanced by stallions that contain top jumping lines. Somerset D'Isle's qualities include the most up-to-date combination of unique modern bloodlines available in Europe today. His sire is the sensational Diarado, supreme champion par excellence from the Holsteiner classification with scores of 9.5 for rideability and 10 for free jumping. His dam is by Balou de Rouet, champion of his licensing with scores of 9 for canter and 10 for free jumping. Interestingly, both stallions are producing champion young stock suitable for dressage.

D'Isle is a quality product combining elegant movement and super good looks. His mechanics allow him to display the highest calibre gaits. His trot has lovely freedom and lift from the shoulders and knees and his canter is buoyant and uphill with excellent suspension.

D'Isle's dam line also carries a double cross of the legend Contender, a renowned producer of both dressage and jumping horses. He also carries Fax I, who is influential in the pedigree of dressage champions Jazz and Ferro, and the Jumping Stallions, Nimmerdor, Heartbreaker, Conquistador and Kannan.

STAKKATO

Born 1993 Bay 163cm

Hanoverian

Here is the most phenomenal show jumping sensation. Even at the time of his performance test in 1996, Stakkato showed amazing talent for jumping which is reflected in his score and first placing. He has very good style over the jumps but he also received very good rideability marks. With the renowned Eva Bitter in the saddle, Stakkato became the unsurpassed winner of the Hanoverian riding horse championship at the Dobrock, as well as federal champion in Warendorf. He scored the dream points of 9.9, which had never been done before. He has had a whole series of wins in show jumping competitions. In 1999 he took part in the Federal Championship, in which he became vice-champion. With Eva Bitter, Stakkato's tally of successes includes international wins and placings in Grand Prix and Nations Cups. In 2002 Stakkato led the FN breeding value statistics for showjumping for the second time running. His breeding value for jumping is a phenomenal. He has 45 licensed sons, 92 state premium mares, 151 auction horses. Winning sum of progeny 2,076,482.00 Euro. Bundeschampion in 1998 and Vice Bundeschampion in 1999. Hanoverian Stallion of the Year in 2007.

STEDINGER (IMP)

Brown 17.2hh

Oldenburg and Approved Hanoverian

Photo: Donna Morton

There are not many stallions in Australia, who have won a Stallion Licensing and gone on to sire a whole string of winners, and licensed stallions in Germany. But Stedinger is just that. Bred by master breeder, Gerd Sosath, he is by Sandro Hit, but with the added strength and athleticism on his dam side that comes from the amazing, Landadel - perhaps the only stallion in the world to produce a World Cup Dressage Finalist and a World Cup Jumping Finalist in the same year! But Stedinger's grand dam had more to offer, she is by Futuro, one of the best sons of Furioso, who established the 'F' line that is so influential in modern dressage breeding.

Stedinger was a star from the start - Champion Stallion at the Oldenburg licensing before going on to be a finalist at the Bundeschampionate. His offspring have been exceptional: Toerveslettens Stamina and Andreas Helgstrand - Champions in Denmark, and finalist at the of World Championships as a 5 and 6-year-old. Stedinger's son Schumacher was 3rd at World Championships, with Stedinger was the only sire who had two finalists in that final. Socrate de Hus was the Champion of France three times in a row - as a 5, 6, and 7-year-old horse.

Most recently his licensed son Spirit of the Age has been starring at International Grand Prix level with Bernadette Brune. The pair won the Grand Prix of Cappeln with a score at 70.06 (3rd in the Kür on 73.05) and were selected in the German team for Rotterdam.

In Australia, Stedinger has been wowing dressage fans in local competition, ridden by Gina Montgomery.

Service Fee: \$3300 LFG.

Available by fresh, chilled and frozen semen.

STOLZENBERG

Born 1999 Dark Bay 169cm

Hanoverian

At his stallion performance test Stolzenberg came second overall, clearly winning the jumping index (141.88), and gaining good scores for rideability. This stallion was a jumping machine!

He has proven himself now as a sire. His son Shaitaan OSF won the Vice Championship title at the Bundeschampionships for five-year-old show jumping horses in a final that went down to the wire! Under Lutz Wimmer the duo accomplished a fantastic season with various victories in elementary and medium level. A daughter was the winner at the Mare Show at Dobrock. State premium candidate Silence presented captivating performances and became best show jumping mare of the show. 54 offspring are registered competition horses. It seems that Stolzenberg follows in his sire's footsteps in regards to passing on the qualities of technique, scope, movement and attitude to work to his offspring. Meanwhile all experts talk about Stolzenberg and his latest breed value estimation which confirms that it is justified that he counts among the 1% best jumper sires in Germany. He has 11 licensed stallions, 20 state premium mares, and 70 auction horses.

TOTILAS

Born 2000 Black 170cm

KWPN

Best dressage horse of all time – three times World Champion, three times world record holder

Records are his trademark and seldom do we see breeding and sports records going so well together as they do in this stallion. Totilas is a living legend. He led the dressage sport to a new high and until then, unknown popularity in the public eye. He alone set three world records, three records that were only broken again by him. It took him and Edward Gal only two years to get all the possible titles one could get, twice Individual Gold and one Team Gold at the World Equestrian Games 2010, Team and Individual Gold Medal at the European Championships in Windsor, winner of the World Cup 2010 and 2011, and then best horse of the German Silver Medal Team with Matthias-Alexander Rath. At the German Championships in 2012, he won the Silver Medal in the GP Special and the Kür. In 2014, Totilas was never beaten in his performances at Kapellen/BEL, Wiesbaden, Perl-Borg and Aachen. From a breeding perspective, Totilas continuously sets new records; the most expensive foal at the foal auction in Vechta 2012 was one of his progeny. Among his first crop from 2011 were numerous top foals sold for excellent prices by private owners. The first sons have now been licensed: Governor, Talisman, Te Amo, Tiesto VDL, Tolegro, Toliva, Top Gear, Topas, Total Hit and Toto Jr. Governor and Top Gear were each reserve champion at their licensing.

Totilas: most valuable dressage blood as a guarantee for the ambitious dressage sport.

TRIOMPHE DE MUZE

Born 1996 Bay 16.2hh

BWP

Photo: Dirk Caremans

Bred by the world's most successful jumping breeder, Joris de Brabander, Triomphe de Muze combines the best of Holstein, through his sire Chin Chin, and the best of the French through his dam sire, Galoubet. His dam line is one of the most famous in Europe, producing many winners at the highest level.

Triomphe's sire Chin Chin, competed at two Olympic Games and twice at the World Equestrian Games. Chin Chin sired several approved sons including Triomphe De Muze, Zelote VDL and Zapatero VDL. The famous Ifrane motherline has produced the international showjumpers Quarto Mail, Lord If de Chalusse (approved stallion), Forgat Mail, Moon Mail, Morgat and D'Ifrane de Chalusse. Triomphe's mother, Caprice d'Ifrane, produced seven international offspring at 1.40m and above, which is impressive to say the least. This list goes on, but gets better: Mylord Cathargo, Norton d'Eole, Bamako de Muze and Newton de Kreisker. This is one of the best motherlines in the world, without argument. After a successful career in the United States, Triomphe was sold back to Europe as a breeding stallion.

Triomphe de Muze brings refinement, great looks and movement, scope and carefulness. Perfect for breeding showjumpers and high quality eventers.

He is already the sire of 41 international level competitors.

TULARA COLMINE

Born 2010 Liver Chestnut 16.3hh

Bangalow purchased a gangly colt from Tulara as a yearling a few years ago, believing that with his bloodlines he would one day be a star. Born in 2010, Atom, as he is known at home at Copabella, has grown into an outstanding 16.3 liver chestnut stallion who began his showjumping career with a flourish in late 2014. He went on to win every 4-year-old Young Horse class he competed in, culminating with being crowned Champion High-Point Scorer at the Oaks Series Final at SIEC in May 2015.

Colmine is by the great showjumping sire Colman, who is by Carthago. Colman won the jumping category of his 100-day test as a young stallion and jumped impressively in the young horse divisions for a season. Then his demand at stud, which was led by a breeding value index of 146, forced a commercial decision to retire him to perform full-time stud duties. In his short career he has already produced 15 licensed sons, not to mention Australia's well known World Cup mare Colthaga, dam of Caracas.

Colmine is out of the Quinar Z mare, Tulara Quinine. Quinar Z stood at both Zangersheide and Holsteiner studs during his career and is the sire of five world champion jumping horses. Quinar has 16 approved stallion sons.

Colmine has excellent technique and huge scope, combined with a willing, trainable nature. He is that rather rare combination of careful and brave, and he has the kind of balanced movement that makes him feel like a much older, more experienced horse.

TWINS EASTON VDL

Born 2009 Brown 1.68cm

KWPN

Bred by the famous VDL stud and out of one of their most valued broodmares (by the great Contender), Easton is by Holland's best sire for temperament and rideability, Indoctro, who combined the power and scope of Capitol and the carefulness and technique of Cor de la Bryère.

Easton was the first foal of the Contender daughter, Atendri, a mare with the excellent jumping test score of 139. Easton was selected for the second round of the KWPN licensing. Another son of Atendri was selected this year at the KWPN Licensing to go on to the Performance test.

Easton is being ridden by Greer Schipp, and she is enjoying his rideability, his superb canter, and his careful style over a fence.

His first foals are proving that Easton is both a future super competitor AND a future supersire.

Breed to a stallion a girl can ride...

UTRILLO VD HEFFINCK

Born 1997 Grey 169cm

BWP, KWPN, Selle Français

Utrillo comes from the very same cross as Cornet Obolensky - Clinton over Heartbreaker. In fact, they are 7/8ths blood brothers.

Clinton was a genuine international star, 2nd in the GP at Aachen, 4th in GP at Rome, Bronze Medal at the Athens Games and many more great wins. Utrillo's dam, Quintana vd Bosrand has produced two licensed stallions: Quindoctro (Indoctro) and Utrillo's full-brother Conquistador, who was raised and competed in Australia before going to the United States where he is a CSI-W Grand Prix winner with under Carl Cook. Utrillo's full sister, Vanité vd Heffinck is the dam of the 7-year-old World Champion 2010 at Lanaken, Dax van d'Abdijhoeve.

Utrillo started his international career as a seven-year-old in Belgium. He won his first Grand Prix at 8 years old. At 10, Utrillo, started at CSIO level. He was 6th in the Nations Cup at Poznan and 4th in the GP. 4th also in the GP in Comporta, 7th in the GP at Vichy. He won the Porsche GP with Franke Sloothaak and was retired in July 2011 to the famous French jumping stud, Brullemail.

He has already produced five stallion sons, and twenty international showjumping winners, including Dryden (aka Basje) winner of the 7-year-old final at the Belgian Championships and later exported to Canada to be ridden by Ian Millar. In 2011, Utrillo was the 3rd best stallion in France in terms of the price of his offspring in auctions. In 2008 the KWPN licensed only eight 3-year-old stallions, two were sons of Utrillo, Advance & Arizona. Zangersheide approved Ultra Z in 2009.

Van Gogh is the best son of the great Numero Uno, who was in turn, the best son of super star and sire, Libero H. On his dam sire we find the blood of another of the 'greats' Ramiro, through his son, Bernstein combined with Burggraaf, who brought the blood of Landgraf to Holland.

Van Gogh was crowned KWPN performance test champion of 2005, and his performance test the next year achieved a record high score. Take off and technique was rewarded with 8.5, scope with 9.0 and his incredible canter with 9.5. The stallion performance test report states that Van Gogh shows strong movements in walk, trot and canter, that he jumps with a good take-off and develops lots of scope.

Van Gogh has commenced competing at 1.60 level with Marco Kutscher with a number of placings at the top shows this season.

At the prestigious Limburg Mare Show this July, Van Gogh was the sire of the champion of the three-year-olds, Hirsinaa, who was noted not only for her modern 'blood' appearance but also for her suppleness tremendous jumping ability in free jumping.

Versace, the stunning Vivaldi/Ferro sun, who was Reserve Champion of the Oldenburger Licensing with a 9.5 from the test rider, Premium Licensed and standing in Australia! Versace is outstanding in every way, and has proven himself to be an exceptional producer, with his first foal crop being absolutely incredible. They are stunning, with superb conformation, uphill, beautiful through the shoulder, shape of neck and head/neck connection, very connect legs, smooth through the body and perfectly proportioned. Their movement is very correct and expressive with an excellent hing leg action. The temperament and character is their highlight! Working with these youngsters is a dream; they are so confident, calm, willing and friendly. They absolutely love people, and they love to learn. We are completely blown away with these youngsters. They are a Breeders 'Dream Horse', and soon to be a Riders 'Dream Horse'! We could go on about all the top Grand Prix stallions in Versace's pedigree or the highly respected and sought after mare family he descends from, but at the end of the day, Breeders want to know what they will get if they breed to Versace. The answer: Breeders will get a complete package of the highest possible quality, with the very best temperament they have ever produced. Conformation will be close to perfect and movement will be correct and expressive. You will love your Versace foal!

COPABELLA VISAGE (IMP)

Born 1998 Pinto Warmblood 16.2hh

Selle Français, Belgian and AWWA Licensed

Photo by Steven Mowbray

We made the sad decision to retire Visage from showjumping earlier this year in the interests of maintaining his soundness for as long as possible. So he and his showjump jockey Brooke Campbell have taken up dressage instead. They received high praise and ribbons from the judges at their first outing at Elementary level and were all set for their next outing at Medium, until Brooke had a nasty fall, causing a temporary setback.

Visage still ticks all the boxes: he's that great combination of brave and careful; he has an excellent temperament and knock-out looks; his progeny are ample testimony that his best characteristics get passed on. The list of successful offspring both in showjumping and eventing at all levels just keeps growing. Tallara Barwick is campaigning Verdi now at 2* while Rob Palm's talented Visual Laughter is getting around 3* with regular success. Julia is enjoying huge success in Europe with Vegas who is now competing to 1.50. Dave Cameron is having a great run in Young Horse and D Grade classes with Valor, while Brooke regularly wins and places in Young Horse classes with Vermont and Voltage. Lily Ivancic now owns Vertigo as well as Volcanic and continues her successful Young Rider run in Victoria. Gemma Kennedy continues to climb the height classes with Vigil. And the list goes on. Visage's early successes include: Champion of Champions at DJWTS as a recently imported 5-year-old, Champion Young Event Horse the following year; wins and places all over the country to World Cup level, and a successful 18-month stint on the international circuit in Europe.

VIVANT

Born 1998 Bay 16.2hh

AWWA Licensed, BWP and Oldenburg Licensed

Vivant is simply one of the greatest horses Australian showjumping as ever produced. Produced here in Australia, he represented us at the World Cup final in 2010 for Australia's highest overall finish of 7th, including 4th in the final Grand Prix class. His international career continued with his new owners for the Ukraine.

He represented them at the London Olympics, and the 2012 WEG, finishing a wonderful 8th individually. He is still performing at 5 star level, with Rio on the cards.

His sire, Fuego Du Prelet was a World Cup performer; and dam's sire of World Champion, Zenith. Fuego is a result of the magic mix of Jalisco B and Uriel. His dam sire, Landino, jumped at 1.60 level and Hedjaz is the dam sire of Olympians Otterronga and Sapphire.

Vivant is licensed with the AWWA, BWP, OLDENBURG, WESTFALEN, SWEDEN, ALL SOUTHERN GERMAN BOOKS.

Your chance to breed to one of the world's best – and look at the results already, his progeny are stars!

Service Fee: **\$1100** incl GST (per dose)

WELTMEYER

Born 1984 Chestnut 166cm

Hanoverian

Weltmeyer was already a legend in his own lifetime! This most admired stallion was winner of the stallion testing at Adelheidsdorf 1987, Champion of the Three-Year-Old riding horses at the national championship at Vechta in 1987 and champion of the DLG 1989 in Frankfurt. Also in 1989 he was Stallion Conformation class Champion in Hanover. Weltmeyer showed cadenced movements and beautiful suspension and elevation. He was schooled up to advanced level and joined the world-famous 'Celle chestnuts' for shows all over the world. Weltmeyer was a most impressive stallion.

Weltmeyer's trade mark is to leave powerful horses with impressive conformation, good bones and top-line. Weltmeyer is still a phenomenal improver of progeny in riding horse type, movement and rideability, sire of both champion stallions and mares. For years Weltmeyer led the FN breeding value rating for dressage. He has 86 licensed sons, 450 state premium mares, 1319 main stud book mares, 381 auction horses, and the total winning sum of progeny is 2,638,035.00 Euro. He was Hanoverian of the Year in 1998.

GWAIHIR'S ZODIAC XX

Born 1995 Grey Thoroughbred Stallion 16hh

Photo: Main Event Photography

STANDING FOR HIS LAST SEASON AT PUBLIC STUD:
Gwaihir's Zodiac - an exceptional sire of Eventers...

This is the Thoroughbred stallion eventing breeders are looking for. Zac was a star in his own right, ridden by Boyd Martin who commented: "A horse with wonderful attitude - incredible movement for a Thoroughbred. One of the few Thoroughbred stallions who has evented at the top level world-wide." He is the sire of Haurzac (Chris Burton) who won Saumur (France) CCI*** and who has recently returned from injury to place 4th placed at Strzegom (Poland). Heath Ryan is eventing another starry son, Tom Foolery R.

ZONIK

Born 2008 Dark Bay 168cm

Denmark

The future of dressage has a name

This Danish stallion boasts very modern build and captivatingly powerful gaits! Zonik always presents an inspiring mechanic of movements and impulsion, traveling through the entire body swinging in rhythm with the gait, offering the best for the future of his progeny. In Denmark he was awarded premium stallion.

His sire is KWPN champion stallion Blue Hors Zack, sired by Vice Dressage World Champion Rousseau, who produced three successive KWPN champions. Zack himself won the Danish Championship for Six-Year-Old Dressage Horses in 2010 with a score of 9.22. Several sons are already licensed and his first progeny are making an excellent impression under the saddle.

Zonik is purely bred for performance. Dam Romanik has won the bronze medal at her mare performance test, and grand dam Dunja has competed in the final of the Danish Championship of Four-Year-Old Riding Horses with Andreas Helgstrand and won classes up to Prix St George level.

Zonik: International pedigree of exceptional quality for the grand dressage ring.

THE MAKING OF THE MODERN WARMBLOOD

From Gotthard to Gribaldi

by Christopher Hector

THE MAKING OF THE MODERN WARMBLOOD

Christopher Hector

From Gotthard to Gribaldi is the product of over 20 years of research by equestrian journalist Christopher Hector, in all the major breeding areas of the world. Over that time he has interviewed most of the more important breeders and breeding experts to produce a work that brings together – for the first time in the English language – the most influential performance horse stallions in all Europe's major breeding areas, from France to Scandinavia, through Germany, Holland and Belgium over the past 50 years. 144 Stallions are individually examined with pedigrees and photos, all of the major studbooks are profiled, and many of their key players interviewed. This is a work destined to become the standard reference for students of the warmblood breed.
